Since John Morrissey of MVP Marketing was not able to attend the meeting, this matter was tabled until our next meeting.

Expanding Role of Committee

City Administrator Harrill talked to the committee about taking on the duty of communicating the City's concerns or support for either State or Federal legislation that will affect us. There are many proposed pieces of legislation that go through both the Senate and the House of Representatives every year. The Missouri Municipal League e-mails all cities that have signed up for the Legislative/Grassroots Program with this information. After discussion, Councilman Stanford made the motion to expand the committee's duties and Councilman Roberts seconded. Motion passed unanimously.

Adjournment

There being no further business, the meeting was adjourned at 4:22 P.M. The next meeting is scheduled for February 11, 2010 at 4:00 P.M.
